CS 5714: Student Background Information

Your answers to the questions below will serve two purposes: to enable me to tailor the course material to the backgrounds of students in the class, and to give me a basis on which to form project groups. If you cannot complete the questionnaire today, please bring it to me by 10am tomorrow (Weds 20 Jan) morning. Thanks.

1. Full name (please print clearly!) ______________________________

2. Preferred email: ______________________________
