UKOLN: The UK Office for Library and Information Networking maintains a mirror site for D- Lib Magazine at <http://ukoln.bath.ac.uk/dlib/dlib.html>.

These activities are coordinated by the Corporation for National Research Initiatives for the Information Infrastructure Technology and Applications Working Group of the High Performance Computing and Communications program. Funding for D-Lib is provided by the Defense Advanced Research Projects Agency (DARPA).

*Graphics on D-Lib's pages have been created by Robert Kinneary.
